

## Advanced Utah CFP Course Overview

Instruction is \$80. I.D. Photo \$10. Fingerprint Cards \$10 **Payable to SDS in cash or check.** Course lasts 5 hours.

This class satisfies the **Utah Handgun Familiarity** course requirement needed to complete your application for a Utah Concealed Carry Weapons Permit. The course covers firearm safety and handgun fundamentals, ammunition, grip, stance, breath control, sight alignment and sight picture, Federal gun laws, Utah gun laws, self-defense laws, use of force laws, areas that you are restricted from carrying a firearm with and without a CFP permit, video scenarios of do's and don'ts, situational awareness overviews, holsters, clothing, women specifics, what to say to the Police, and much more in a 37 page handout.

Remember that you are not required to own your own gun to have a Utah CFP Permit. There is no connection to a specific gun or serial # on your permit. **This valued permit is now recognized in 36 states, the most of any other states' permit.**

After completing the class, you send or take your **signed** application that I have also signed and a fee of \$53.25 to BCI (Bureau of Criminal Investigation) for Utah and Federal Background checks. You must include **1 photo, 1 set of fingerprints** (BCI will only do fingerprints now for \$15 each, or fingerprints only at the County Sheriff's Office 3365 S 900 W 743-5800) and a **photocopy of your drivers' license**. Your permit can take up to 60 days to be processed and returned to you.

We usually do this on the 2<sup>nd</sup> Saturday starting at 8:00am until 1pm. If an evening class is needed, that can be arranged as well if there is sufficient interest.

If you have further questions, please call or email me.

Warm Regards,
